WINE ON STAMPS STUDY UNIT OF THE ATA TOASTS A NEW START

Raise your glasses to the resurrection of the Wine On Stamps Study Unit! This group of friendly collectors had disbanded when James Crum became ill in 2004 and could no longer handle the tasks associated with running the organization. However, the first new issue of their journal, *Enophilatelia*, has become available starting with their August 2006 publication.

The new officers are President David Worlfersberger of St. Louis, MO, Vice President Gini Howells of Prescott, AZ, Secretary Paul Parham of Seattle, WA and Editor Bruce L. Johnson, 115 Raintree Drive, Zionsville, IN 46077 who can help you imbibe the stimulating offerings of the group. You may contact Mr. Johnson at indybruce1@yahoo.com or at the address above for further information on this delectable topic.

This brings the number of specialty topical groups that have affiliated themselves with the American Topical Association up to 44. Contact the ATA Central Office for information about a topic of your interest to see if there is a Study Unit that can help you make contact with others who share your hobby niche.
