

ATA ANNOUNCES “GIVE THE GIFT OF ATA” CAMPAIGN.

The American Topical Association has announced a “Give the Gift of ATA” campaign. It is an opportunity for its members to receive a 20% reduction in membership prices for presenting a gift of an ATA membership to others. The campaign runs from Dec. 1 to Dec. 31, 2012, the traditional season of gift-giving.

During this month, ATA members can pay either \$20 for a domestic membership or \$28 for an international membership when a gift of a new ATA membership is purchased for a friend. The offer does not include membership renewals for an existing membership, and no membership proposer incentive will be paid.
