

10 years in the making!

Packed with 193 pages  
of valuable topical information.

Marilyn Shaftstall has created an index of 60 issues of *Topical Time*. This work lists articles, checklists and items of information that have been published in this journal from 1985 through 1994. The alphabetical subject list will let you quickly locate articles on your favorite topic. For example, there have been 70 articles referencing Music, 12 on Musical Instruments and 84 more on musicians and composers.

This 8 1/2 X 11 inch, spiral bound Hand Book #HB142 is priced at \$20, but ATA members get a special price of just \$16.00 plus postage of \$2 (US), \$4 (Canada), \$5 (elsewhere).
